

NOTICE

February 11, 2008

Further development and technical support for Netscape Navigator web browser has been ended by AOL.

Continued use of the unsupported Netscape browser may entail increasing security risk.

Users of Netscape should move to a current version of either Internet Explorer or Firefox, both of which are available for free download from their respective vendor's website.

Public users should use Internet Explorer or Firefox to access Judiciary applications and websites.

National applications such as CM/ECF and PACER will no longer be tested for use with Netscape.
